Computing Center (RZ)

Computing Center –
Connecting Students

The following services are free of charge:
– Internet access, email and webmail
– Active Directory for Windows workstations and storage
  space with data backup
– Sophos Antivirus
– Courses and workshops
– (Wireless-)LAN access on campus: eduroam
– VPN access to the campus network from home
  (Not including telephone and internet fees)
– Virus scanning for emails
– Spam filter for emails
– IT-literature: "All you can read" (Herdt publishing company)
– Linux Software
– Reference management software Citavi
– CAU-Cloud

The following services are offered at inexpensive rates:
– Software licenses for students under campus contracts

Services of the Computing Center (RZ) in a nutshell

Students at Kiel University are eligible to use the IT services of the RZ. In the following list we will provide an overview of our most important services. More detailed information and answers to specific questions can be found on our website: **https://www.rz.uni-kiel.de/go/stud**

stu-Account

Taking advantage of our services requires a so-called "stu-Account". You can find your stu-Account as well as your "RZ-PIN" in the documents you received from the Student Secretariat (STUDIERENDENSERVICE). Prior to first use, you have to set a password at the CAU identity management (CIM) service portal.
https://www.rz.uni-kiel.de/go/stupw
A listing of stu-Account-based services can be found here:
http://www.rz.uni-kiel.de/go/stuweb/

Mail

Each student receives a personal email address/mailbox, which can be accessed via webmail for instance.
http://www.rz.uni-kiel.de/go/mail/

Dial-up Access

You can log on to the university network (Intranet) via internet (e.g. DSL, telephone).
http://www.rz.uni-kiel.de/go/vpn/

Wireless LAN at Kiel University

An extensive and steadily increasing coverage of the wireless network "eduroam" with personalized login is available on campus. With your account you can use eduroam at other participating institutions worldwide.
http://www.rz.uni-kiel.de/go/wlan/

Windows workstations for students

Windows workstations for students are located in various places around campus. The stations supported by the RZ are marked on the map included with this flyer. Some academic faculties of the CAU also provide such workstations. The University Library (UB) provides you with internet research stations. A list of workstations on campus can be found on the RZ's FAQ:
http://www.rz.uni-kiel.de/go/stupc/

The RZ's Windows workstations can be accessed with your stu-Account. With this comes an allotment of electronic storage space on the RZ's central servers. The data on the servers is backed up regularly.
http://www.rz.uni-kiel.de/go/studitrmsrv/

CAU-Cloud

Each student receives a personal cloud storage of 20 GB, which can be accessed via web interface for instance.
https://www.rz.uni-kiel.de/go/caucloud

PC-support – General information

General information regarding IT usage can be obtained at the Computing Centre FAQ:
http://www.rz.uni-kiel.de/go/faq/

Antivirus software

The RZ provides the very effective Sophos-AntiVirus program free of charge to the entire university community. Regular updates are provided for various operating systems (e.g. Windows, Linux, Mac OS). A comprehensive guide to installing and using Sophos can be found here:
https://www.rz.uni-kiel.de/go/virenschutz

RZ course offerings

The RZ offers a whole range of courses on various topics: Operating Systems, programming languages, special applications and security:
https://www.rz.uni-kiel.de/go/kurse

IT-Literature (All You Can Read program of publishing company Herdt)

As a CAU student you can use the e-book-flatrate "All You Can Read" from the publishing company Herdt." E-books on many IT topics e.g. office, network, IT-security and graphic/dtp are available.
https://www.rz.uni-kiel.de/go/itebook

Microsoft Software for students

Kiel University students can use the latest Microsoft Office almost free of charge on several of their devices. In addition Windows 10 Education is made available without any further charges. Please note that acquisition, purchase procedure and support will be managed by an external contracting party. Further information regarding Microsoft Office (and Windows 10 Education) for Kiel University students can be obtained at:
https://www.rz.uni-kiel.de/go/studmicrosoft

Reference management

With the "Citavi" campus license we offer a very effective software package for reference management and knowledge organization free of charge.
http://www.rz.uni-kiel.de/go/citavi/

CAU Card

The CAU-Card provides several functionalities: Student ID, user card for central library, user card for university sport, paying in the mensa canteens and paying at photocopiers.
https://www.rz.uni-kiel.de/go/caucard

eLearning: OLAT

Kiel University provides a central study platform. OLAT provides safe virtual rooms for courses, in which documents can be dropped, shared and also structured contents can be created. In addition to this, several further tools and Web 2.0 elements for communication and cooperation for course participants can be provided (e.g. forums, wikis, blogs or podcasts). The OLAT can be found here:
https://www.rz.uni-kiel.de/go/olat

Campusmanagement

The CAU Portal provides several services after online application and registration: access to enrolment receipt, registration and deregistration for exams and courses as well as further functionalities.
The CAU-Portal can be found here:
https://www.rz.uni-kiel.de/go/cauportal

UnivIS

The online course catalog of Kiel University offers a complete overview of lectures, workshops and seminars. Furthermore, you can use it to create your personal course schedule.
http://univis.uni-kiel.de

Connecting Students

The RZ provides you with a wide range of services to make it easier for you to work together with your fellow students and to receive information relevant to your studies. Please keep in mind that your use of our services must always be related to your studies, i.e. downloading music and videos is prohibited, and would constitute a violation of the terms of use. You can find these at:
https://www.rz.uni-kiel.de/go/rahmenordnung-e

If you have questions, problems, or ideas, please contact the RZ-Servicedesk.

You can do so by sending an email to
hotline@rz.uni-kiel.de or call us by phone: **880-5555**
